Alu U-Profile

The liniLED® Alu U-Profile is ideal for linear installation of the liniLED® Top and Side LED strips. Use the liniLED® Mounting Clips (12850) to mount the profile. We recommend three mounting clips per one meter.

The liniLED® Alu U-Profile is part of the liniLED® System, a concept which consists of high quality, flexible LED strips, several lighting fixtures and a large number of accessories. The liniLED® System is designed for quick and easy installation: the liniLED® LED strips and light fixtures can be connected using the plug & play connector sets, controllers and power supplies.
